

SOULCYCLE FOR A CAUSE RAISES MONEY FOR CHARITY

Dr. Julius Few's Winter Workout Hosted at SoulCycle Benefits At Risk Inner City Chicago Youth

Chicago, IL – January 31, 2017 – Last night, people gathered for an adrenalin-boosting stationary biking class at SoulCycle on Southport in Chicago's Lake View neighborhood in support of [The Few Initiative for Children](#).

While coming together for a great cause, guests broke a sweat to upbeat music – making it the perfect workout class for an evening of fun memories. Afterwards, attendees toasted with bubbly champagne and orange juice while enjoying post-ride finger foods donated by Midwest Foods. A cardboard “selfie sign” complete with The Few Initiative hashtag and SoulCycle logo was the highlight of everyone's photos.

The non-profit's mission is to empower disadvantaged yet visionary youth in Chicago with direct and indirect financial support to overcome obstacles, inspire meaningful goals, and become leaders in their communities. It caters to at-risk boys and girls, helping them stay off the streets while channeling their energies into succeeding at school and in life.

Proceeds from the evening also funded The Few Initiative for Children's second annual Ambassador Program, which, for the second year in a row, is in the process of selecting multiple Chicago-area students with special endowments. The Ambassador class will be selected in March. Each chosen youth will earn the opportunity to better themselves and their neighborhoods through the funding and mentorship from The Few Initiative.

THE FEW INITIATIVE FOR CHILDREN is a non-profit 501(c)(3) foundation charity founded in 2013 by Dr. Julius Few.
